By enrolling, you agree to these terms, which comply with the **2026 Telephone Consumer Protection Act (TCPA), Campaign Registry requirements, and CTIA Best Practices.**

1. Information We Collect

- **Phone Number:** The mobile number you provide to receive SMS messages.

- Demonstrate regulatory compliance (TCPA 2025, Campaign Registry).
- Improve messaging and measure engagement.

3. One-to-One Consent Requirement

Under the January 2024 FCC ruling, opt-in consent applies solely to Focus Behavioral Health Services. We do not share your consent with third parties or affiliates unless you expressly agree.

4. **Message Frequency & Data Rates**

The SMS message frequency will vary but will not be more than **3-5** messages per day unless there is a notification event. Message and data rates may apply; check your carrier's terms.

- Text "STOP" to any message to unsubscribe immediately.
- Text "HELP" for assistance or contact us at **helpdesk@focusbhs.com**

7. **Security of Your Information**

Reasonable measures are in place to protect your data, though no system is infallible.

8. **Record-Keeping & Proof of Consent**

We retain all opt-in and opt-out records, including timestamps and consent methods, to comply with TCPA 2026 and Campaign Registry guidelines.

9. **Changes to This Policy**

We may update this Policy as laws evolve. Material changes will be communicated via SMS or on our website. Continued use after updates constitutes acceptance.

Key 2026 Compliance Elements:

- **One-to-One Consent:** Consumers are only giving consent to receive messages from the specific business they opt in for, not from multiple parties or third parties.
- **Clear Disclosures:** The policy includes clear language about the nature of the messages, frequency, potential charges, and opt-out mechanisms
- **Do Not Call Protections:** The policy reflects the latest FCC guidance that DNC protections apply to SMS, making it clear that businesses must adhere to DNC regulations
- **Data Sharing and Record-Keeping:** Emphasizes the importance of maintaining proof of consent and clear guidelines on how data is shared for operational purposes.

This updated **Privacy Policy** example aligns with current 2026 **TCPA** and **FCC** guidelines, ensuring your business remains compliant while fostering transparency with consumers.
